

Interested in learning how to enhance sustainable practices in your winery and vineyard?

## Join Sustainable Winegrowing BC for an Informative and Interactive Webinar:

January 28, 2022 [Click to Register](#)

February 8, 2022 [Click to Register](#)

March 3, 2022 [Click to Register](#)

All Sessions 10:00am - 11:30am

We'll share the nuts, bolts and benefits of the sustainability certification program. You'll also hear from industry leaders about their experience with completing certification in our inaugural year, 2021. Bring your questions, they'll be plenty of time for Q&A.

We hope to see you there!

### THREE P'S

People, Planet, Prosperity

### WATER

Conservation and quality
